SPECIFICATIONS: Shea Powder

SHEA POWDER

INCI:

BUTYROSPERMUM PARKII
CAS# 194043-92-0
EINECS# 270-311-6

SILICA

CAS# 7631-86-9
EINECS# 231-545-4

ROSMARINUS OFFICINALIS

CAS# 84604-14-8
EINECS# 283-291-9

TYPICAL PROPERTIES

Appearance	White-tan powder
Odor	Characteristic
Silicon Dioxide	18-22%

STORAGE: Keep in cool (below 25°C) storage in unopened containers away from light and moisture. Avoid prolonged exposure to air.

DESCRIPTION

POWDERED SHEA BUTTER, a free-flowing vegetable fat extracted from the fruit of the Shea tree (*Butyrospermum parkii*), offers unique and valuable physical properties. Produced utilizing a patented spraying process and stabilized with rosemary extract, Shea Powder has excellent storage and finished product stability properties while delivering all of the skin feel benefits of shea butter. Designed to provide attractive skin feel for finished formulas requiring either dry-blended ingredients or for fat sensitive formulations, Shea Powder provides great flexibility in maximizing shea loading and functional skin benefits while providing a softer feel. Shea Powder contains a high amount of unsaponifiable matter and is processed to be odor-free and light in color.

APPLICATIONS

Shea Powder is well suited for a use in a wide range of cosmetic and dermatological applications. Due to its high loading of shea butter and amount of unsaponifiable matter, Shea Powder provides skin protection against weather, sun, and aging and is ideal for use in sun care and cosmetic skin care products, both creams and liquid emulsions.

The following supercedes any provision in your forms, letters and papers. Garden State Naturals makes no warranty, whether expressed or implied, including warranties of merchantability or fitness for a particular purpose, for the materials it sells. Under no circumstances shall Garden State Naturals be liable for incidental, consequential or other damages from alleged negligence, breach of warranty, strict liability or any other theory, arising from the use or handling of the materials it sells. The sole liability, if any, of Garden State Naturals for any claims arising out of the manufacture, use or sale of its chemicals shall be for the return of the buyer's purchase price.
